This is to certify that PCFC- DPA, has approved the abovementioned company to carry out the operations, services and/or processes specified in the scope of work within its jurisdiction. The above company is subject to procedures that govern the approval for which they are certified and should be guided by the following special terms and conditions:

1. Any changes, turn-over and future developments within the company, that has bearing with the coverage of this certification, and for that matter declared mandatory by DPA, the company shall be responsible for updating and submitting the required information to the certificate issuing authority immediately for evaluation and further decision(s) accordingly.
2. The third party agency shall be responsible for any non-compliance with DPA Rules and Regulations and U.A.E Laws which may lead to incidents, losses or damage of personals, port facilities or marine environment.
3. This certificate is valid only for one (1) year from the effective date and subject to renewal as per DPA guidelines and procedures unless otherwise stated. Therefore, the company holding this certificate has the sole responsibility of informing the relevant parties about the said limitation.
4. DPA reserves the right to revoke this certificate before its expiration date without any reasons whatsoever and without any prejudice to any/all other rights or liabilities.
